

Project Design Phase II

Date	03 Nov 2022
Team Id	IBM-Project-11855-1659348680
Project Name	PlasmaDonorApplication26GP
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
